SECURITE

ARBEITSPLATZ

At ECCO Safety Group, we understand that Agriculture is a way of life. Planting and harvesting, calving and milking, repairs and maintenance won't wait until we have good weather conditions. You need equipment that lets you take care of business safely – rain or shine, night or day. With an ECCO solution, you can.

For decades, Agriculture has been associated with the production of essential food crops and a stable agricultural sector ensures a nation of food security. Agriculture plays a crucial role in the entire life of a given economy and it is the backbone of the economic system of a given country.

Safety is paramount in the Agricultural Industry and lighting is a crucial aspect of safety as many hours of work are spent in the dark. High powered work lamps and flood beams need to operate in very low light levels. The materials used by ECCO meet the increased requirements for stability and resistance to dirt and humidity – as also proven by our extensive quality tests. IP65 rating also offers great protection from rain and dust. Here at ECCO we supply all of the notable Agricultural vehicle manufacturers with product ranging from mirror systems, safety lighting to back-up alarms and we are pleased to offer this also via our global network of wholesale distributor.

Chez ECCO Safety Group nous comprenons que l'agriculture est un mode de vie. Les travaux agricoles, la récolte, la plantation n'attendent pas le beau temps, les équipements doivent permettre travailler dans toutes les conditions. Avec ECCO nous avons la solution.

La sécurité est primordiale dans l'agriculture et l'éclairage est un aspect crucial de cette sécurité, en particulier la nuit. Des phares de travail de haute puissance sont nécessaires dans des niveaux d'éclairage très faibles. Les produits ECCO répondent parfaitement aux exigences de conditions extérieures, comme le prouvent nos nombreux tests de qualité. La classification IP65 offre également une protection exceptionnelle contre la pluie. Nous fournissons à tous les constructeurs de véhicules agricoles notre large gamme de produits : rétroviseurs, signalisation lumineuse, système d'alarme.

Wir von ECCO Safety Group verstehen, dass ein Landwirt sein Leben nach den Anforderungen seinen Berufs ausrichten muss. Pflanzen, ernten, füttern, melken sowie Wartung und Reparaturen der Maschinen können nicht auf gutes Wetter warten. Deshalb wird Ausrüstung benötigt, die Ihre tägliche Arbeit unterstützt und den Arbeitsplatz sicherer macht. Ob bei Regen, Sonnenschein, Tag oder Nacht, unsere Lösungen helfen Ihnen dabei.

Über Jahrzehnte wurden Landwirte nur als Nahrungsmittelproduzenten verstanden. Auch heute wird noch oft übersehen, dass die Landwirtschaft eine Schlüsselrolle für das gesamte Leben einer Gesellschaft spielt und eigentlich das Rückgrat der Wirtschaft einer Region oder eines ganzen Landes ist.

Sicherheit steht über allem und Beleuchtung ist ein entscheidender Sicherheitsaspekt, da viele Arbeitseinsätze mittlerweile in der Dunkelheit stattfinden. Hochleistungsarbeitsscheinwerfer und Flutlicht müssen die Nacht zum Tag machen. Die Komponenten in ECCO Produkten sind dafür gemacht, härtesten Anforderungen zu widerstehen. Seien es Feuchtigkeit, Schmutz, Vibrationen. Das beweisen wir mit unseren umfangreichen Qualitätstests. Die Schutzklasse IP65 bietet besten Schutz gegen Feuchtigkeit und Schmutz.

Unsere Spiegelsysteme, Warnleuchten und Rückfahralarme finden Sie an landwirtschaftlichen Fahrzeugen von allen namhaften Herstellern. Im Fachhandel unterstützt uns ein globales Netz aus starken Partnern.

**These are simply a selection of products that we have chosen to suit Agriculture Vehicles. For our full comprehensive range, please refer to our websites and catalogues.**

Dans cette brochure vous trouverez notre sélection de produits pour engins agricoles. Pour notre gamme complète, visitez notre site Internet ou consultez nos catalogues.

In dieser Broschüre zeigen wir nur einen Auszug aus unserem Programm speziell für landwirtschaftliche Fahrzeuge. Eine umfassende Produktauswahl finden Sie auf unserer Internetseite und in unseren Katalogen.

## Mirror Heads

**7133.000.A**  
Rear view mirror  
Glass spherical radius R1800. To fit 22mm tube thumbwheel fixing. As fitted to: New Holland & Case  
Two year warranty

**7132.000.A**  
Rear view mirror  
Glass spherical radius R1800. To fit Ø16mm - Ø22mm. As fitted to: New Holland & Case  
Two year warranty

**7135.013.A**  
Heavy duty split mirror  
main mirror is remote 12V and heated. Small mirror is manual and heated. L.H As fitted to: New Holland & Case  
Two year warranty

**7135.014.A**  
Heavy duty split mirror  
main mirror is remote 12V and heated. Small mirror is manual and heated. R.H As fitted to: New Holland & Case  
Two year warranty

**7182.320.A**  
Universal fit mirror  
Rear view mirror  
Glass spherical radius R2100mm To fit arms Ø10 - Ø22mm As fitted to: JCB and various applications  
Two year warranty

## Mirror Arms

**7200.007.A**  
Black. 'Midibrac' arm assembly Ø16mm tube. Spring loaded adjustment. 2 x M6 mounting Holes. As fitted to JCB and CAT  
Two year warranty

**7260.031.A**  
Black. L.H Heavy duty extendable arm assembly Ø22mm tube 2 x M10 Mounting holes. As fitted to: New Holland & Case.  
Two year warranty

**7260.036.A**  
Black. R.H Heavy duty extendable arm assembly Ø22mm tube 2 x M10 Mounting holes. As fitted to: New Holland & Case.  
Two year warranty

**7260.200.A**  
Black. L.H Heavy duty extendable arm assembly Ø22mm tube 2 x M10 Mounting holes. As fitted to: New Holland & Case.  
Two year warranty

**7260.201.A**  
Black. R.H Heavy duty extendable arm assembly Ø22mm tube 2 x M10 Mounting holes. As fitted to: New Holland & Case.  
Two year warranty
